

Camp West Woods
808 West Street, Stoughton, MA 02072
(781) 341-4424

DIRECTIONS

From Stoughton Center

Follow Route 138 towards Easton. At Plain Street (Town Spa Pizza), take a right. Follow to the junction of Plain and West Streets (approximately 1 mile) and take a right onto West Street. We are $\frac{1}{4}$ mile on the right.

From Cobbs Corner

Follow Bay Road (straight through lights where Shell Gas is on the left) past Crescent Ridge Dairy (on your right). Approximately $3\frac{1}{2}$ miles beyond Cobbs Corner is Plain Street (on the left). At Plain Street (small cemetery on the corner), take a left. Follow for $\frac{1}{2}$ mile to West Street. Take a left on West Street. We are $\frac{1}{4}$ mile on the right.

From Route 24 South

Take Route 139 Stoughton exit. Follow to Lincoln Street, which is approximately $\frac{1}{2}$ mile past Central Street (grocery store on left). Take a right. Follow to the end, Route 138. Take a left at Friendly's and follow to School Street on your right (Getty Station). Follow School Street to the end (West Street). Take a left on West Street. We are approximately $\frac{4}{10}$ of a mile on the left.

From Route 24 North

Take Route 27 Brockton exit. Go past the mall and take a right onto Pleasant Street. Follow through the lights at North Pearl Street until you get to Route 138. Take a right onto Route 138 and follow to Plain Street (Town Spa Pizza on your left). Take a left onto Plain Street. Follow to the junction of Plain and West Streets (approximately 1 mile) and take a right onto West Street. We are $\frac{1}{4}$ mile on the right.

From 95 North or South

Take 95 North or South to 93 North (after the road splits into 95 and 93). Take Exit 2A, which is the Route 138 Stoughton/Canton exit. Follow Route 138 to Stoughton. At the set of lights with a CVS and a Mobil on the corners, continue straight through the lights. In approximately $\frac{1}{2}$ of a mile, you will pass a Getty Gas Station on your right. Take a right onto School Street (immediately after the Getty). Follow School Street to the end (West Street). Take a left onto West Street. We are $\frac{4}{10}$ of a mile on the left.
